

Special food needs

- please list allergies and special needs (eg vegetarian, etc) on the medical/permission note. The camp will cater fully for special needs which are specified prior to the camp

Medications

- please list all medications (and the exact administration instructions) which your child will be taking on the medical/permission note
- medications which are prescribed after you have submitted the note should be communicated to your child's teacher by note on the first morning of camp
- please note that only medications in their original packaging will be administered to your child
- under no circumstances can students keep medications in the bag/personal belongings (except asthma puffers). This is for the safety of all students attending the camp.
- please note that panadol cannot be given to your child without your express permission. Headaches can sometimes impact on your child's enjoyment and participation in activities.
